# OREGON COAST TOURNAMENT RULES

---

No handicaps will be used.

No stymies will be played.

Lie may be improved with the *clubhead* in the fairway but not in the rough.

Provisional ball will be played in the possibility that you are out of bounds, lost, or have an unplayable lie. (Loss of distance, i. e., from the tee you would be shooting two.)

Sandy patches on the course (such as in front of No. 6 tee) are not considered hazards and lie may be improved there with clubhead. (Also in front of No. 2 tee and on No. 18 fairway.)

If a player's ball strikes his opponent's ball on the putting surface, the opponent's ball shall be replaced as nearly as possible to the place from which it was moved.

Any player who is 20 minutes late for his match shall default to his opponent, unless some arrangement is made with that opponent.

Pairings will be posted every day at the Golf Club, the Gearhart Hotel, the Ocean House, and at the Hotel Seaside.

---

*In the event that any question arises over your match, consult the starter and referee - Mr. Harry Muchler.*
